SPREAD A LITTLE HAPPINESS

The Wilkin family have been farming at Tiptree, Essex, since 1757, and making quality preserves since 1885. We grow a wide range of traditional English fruits and use them to make preserves and condiments in our nut-free factory on the farm. Tiptree products are made to cherished recipes and are free from artificial colours,

flavours and preservatives. Fruit is inspected and prepared by hand then cooked in small batches using traditional, copper-bottomed pans. We received our first Royal Warrant from George V in 1911, and remain Royal Warrant holders as purveyors of Tiptree Products to Her Majesty, Queen Elizabeth II.
